

Stammtisch St. Louis – A quick overview

Stammtisch St. Louis has one simple purpose, to be “A friendly get-together for all who enjoy the German language, culture and beer!”

Stammtisch St. Louis can trace its origins back over 30 years. Around 1992, with the help of brewer Tom Schlafly, a small group of Germanophiles began to meet at the Schlafly Tap Room.

In 1999 our Stammtisch organized and elected officers and a board of directors. The German American Committee accepted the Stammtisch as one its member organizations in 2000.

True to the spirit of a Stammtisch, Stammtisch St. Louis remains informal and independent.

Our focus:

1. To speak the German language.
2. To celebrate the German culture (*Austrian, German and Swiss*).
[Lichtenstein, Jim! Don't forget the Lichtensteiners! – webmaster]
3. To support the St. Louis German community at large.
4. To support, in particular, the German School Association.
5. To enjoy life.

Our activities:

1. Regular meetings (*Twice a month at a friendly tavern.*)
2. Regular lunches.
3. Regular outings.

Our website:

Walt Busch is our webmaster. He has put together an entertaining website for our Stammtisch. The website provides an up-to-date calendar of Stammtisch events, a fun overview of our get-togethers, and an amazing amount of German language information (video clips, media links and learning helps.)

The website is a good snap shot of all that goes on with our Stammtisch.

Our People:

Stammtisch members have fun, enjoy each other's company, and share a love of the German language and culture. All like-minded people are welcome to our Stammtisch.
